SCHOOL FEE STRUCTURE FOR 2026
ALL GRADES

R40 651.00

As per section 40 of SASA 84 of 1996, a parent is liable to pay school fees determined in terms of Section 39 of the SASA 84 of 1996.

At a meeting held on 10th November 2025 it was determined that the above would be the school fees for 2026.

Please note the following:

1. School fees are payable on the **first day of school**, but the school allows the fees to be paid off over 10 months from February to November of each year.
2. If, for whatever reason, payments are not going to be made as stated above, an arrangement must be made immediately.
3. All accounts that are not paid monthly, or that do not have an arrangement in place (and being adhered to) will be handed over for collection at the end of March 2026 without further notice.

The criteria set up to qualify for a R2500.00 (two thousand five hundred rand) discount on school fees is as follows:

1. All school fees from previous years must be paid up.
2. Payment in full must be reflected in our Bank account on or before 31 March 2026.
   (i.e. School fees must be paid in full by 31 March 2026. **There will be NO exceptions**.)
3. Learners who have been awarded a scholarship or bursary may not claim for the full R2500.00 early settlement discount, but rather will receive discount proportionate to the school fees that they pay (e.g. a 75% bursary holder may only claim 25% of the early settlement discount).

BUILDING LEVY

At the budget meeting it was decided that there will be a building levy for 2026.
The amount is R250.00 for every learner in the school irrespective of what arrangements have been made. This money must be paid on or before the FIRST DAY OF SCHOOL IN 2026. This is for upgrades of furniture around our school grounds.
